The Board of Commissioners of Washington County does hereby ordain:

#### Section 1: Findings and Purpose

(A) In recent years, there has been a significant increase in juvenile victimization and crime. At the same time, the crimes committed by and against juveniles have become more violent. A significant percentage of juvenile crime occurs during curfew hours.

(B) Because of their lack of maturity and experience, juveniles are particularly susceptible to becoming victims of older perpetrators. The younger a person is, the more likely he or she is to be a victim of crime.

(C) While parents have the primary responsibility to provide for the safety and welfare of juveniles, Washington County also has a substantial interest in the safety and welfare of juveniles. Moreover, Washington County has an interest in preventing juvenile crime, promoting parental supervision, and providing for the well being of the general public.

(D) A county-wide curfew will reduce juvenile victimization and crime and will advance public safety, health, and general welfare.
