Project Overview

Washington County, in partnership with the City of Woodbury, are in the early design phase for an Improvement Project along County Highway 13 (Radio Drive) from County Highway 20 (Military Road) to Hargis Parkway.

The initial goals of this project are to:

- Expand the two-lane highway to a four-lane highway
- Add multi-use trails
- Manage and treat stormwater runoff
- Improve the intersection of Radio Drive and Dale Road (roundabout or a traffic light will be considered at this intersection)

Project Website

Additional information can be found on the project website at: <https://www.co.washington.mn.us/radiodrive>

Open House Information

We want to hear from you!

The project team is hosting a public open house to introduce the project and gather input regarding existing needs and concerns.

Public Open House

Wednesday, August 23
East Ridge High School - Cafeteria
4200 Pioneer Dr., Woodbury, MN 55129
4:00 pm to 6:00 pm

Online Engagement

If you are not able to attend the in-person open house, visit our online open house anytime on the project website from August 23 to September 6 to view project information and provide feedback through filling out a survey and commenting on an interactive map.
