

Glacial Hills Regional Trail Long Range Plan

You Are Invited!

The trail planning process is an opportunity for the public to share ideas and provide feedback — we want to hear from you!

Washington County is leading a process to plan the Glacial Hills Regional Trail. The long range plan will guide the vision and future development of an east-west multiuse trail through northern Washington County.

The future trail will connect destinations: Hardwood Creek Regional Trail, Big Marine Park Reserve, William O'Brien State Park.

Take our brief survey to share your feedback:
